Work Experience

2006	Teaching Assistant, Advanced Sculpture Tyler School of Art, Philadelphia, PA Assisted professor in classroom instruction of foundation level classes. Helped students conceptualize project ideas and facilitate project completion. Critiqued final projects identifying strengths and weaknesses. Demonstrated project construction techniques in a variety of materials.
2005	Woodshop Supervisor (Academic Intern) Tyler School of Art, Philadelphia, PA Hired, scheduled and supervised twenty plus student monitors. Conducted private and group shop orientation seminars instructing undergraduate and graduate students on proper use of power tools and additional shop safety measures. Individually instructed students on wood working and construction techniques for various sculptural making processes. Managed woodshop monitor budget in conjunction with the Sculpture Department's semester budget. Maintained woodshop stationary and hand equipment for proper student use and safety. Monitored shop inventory of 500+ tools and expendable supplies with an inventory value of \$6,000. Placed all inventory orders for shop tools, construction and maintenance materials.
2005	Teaching Assistant, Advanced Sculpture Tyler School of Art, Philadelphia, PA Individually conducted two-week seminar for advanced level undergraduate students. Instructed students on construction and building methods and techniques. Evaluated and critiqued group project proposals from project inception to project completion.
2004	Teaching Assistant, Foundation 3-D Tyler School of Art, Philadelphia, PA Assisted Professor with student project completion for a class of 25 students. Instructed students on various building and project construction methods using a variety of materials and techniques. Assisted Professor with project critiques and discussion.
1999– 1994	Claim Representative, Auto and Fire Division State Farm Insurance Companies, Denver, Colorado Managed claim inventories of 150+ claims for the automobile and homeowners division of company. Assessed and evaluated policy related property damage for automobiles and homes. Issued payment with an individual claim payment authority of \$50,000. Resolved coverage questions through arbitration hearings and independent contractor evaluations. I was among the top 5% of producers on storm operations for last 3.5 years with company.
